2025 SCHEDULE OF PURCHASE PERIODS & DUE DATES

Alcohol and Tobacco Commission
Regulatory and Research Section
410-260-7314

NOTICE TO RETAILERS

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Regulatory and Licensing Section for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Regulatory and Licensing Section. Reports and notifications must be made for all late payments. The Regulatory and Licensing Section will determine whether or not the retailer is placed on the credit control list.

How to Figure Gross Profits

Experience has proven that few business people know the difference between MARK-UP and GROSS PROFIT, and thus cannot figure profits properly. Keep the following schedule before you and you will find it worth many dollars in the course of a year.

MARK-UP – is the percentage of the amount you earn on COST.

HOW TO FIGURE IT – A brand costs you \$50.00 a case and sells for \$75.00 a case, or \$25.00 above your cost. Divide the cost (\$50.00) into your earnings (\$25.00) and you will get a percentage of 50%...This is your MARK-UP on COST.

GROSS PROFIT – is the percentage of the amount you earn on SELLING PRICE.

HOW TO FIGURE IT – a brand costs you \$50.00 a case and sells for \$75.00 a case, or \$25.00 above your cost. Divide the SELLING PRICE (\$75.00) into your earnings (\$25.00) and you get a percentage of 33 1/3. This is your Gross Profit on Selling Price. This means that you earn 33 1/3 cents on each \$1.00 in sales to apply to your expense of operation, which ultimately will show your net profit.

Confusing Mark-Up and Gross Profit Can Bankrupt You

MARK-UP/GROSS PROFIT CONVERSION

MARK-UP is the percentage you earn on the **COST** of an item you sell. **GROSS PROFIT** is the percentage you earn on the **SELLING PRICE** of the item. Confuse them and you get an over-optimistic view of your business.

When you relate earnings to sales, think only of Gross Profit. In terms of sales, Mark-Up has no meaning. Gross Profit tells you what you earn--retain--on each \$1 of sales to pay you business expenses. Anything left over is net profit.

NOTE: Mark-Up percentages below are converted to Gross Profit percentages by rounding to nearest 1/10 of 1%.

MARK-UP – How to Compute It:

A brand costs you \$75 a case and brings in \$90 - -\$15 above cost. Divide your earnings (\$15) by your cost (\$75) and you get a *mark-up on cost* of 20%.

GROSS PROFIT – How to Compute It:

The same brand costs you \$75 and brings in \$90-\$15 above cost. Divide your earnings (\$15) by your *selling price* (\$90) and you get a **gross profit on selling** of 16.7% -- 16.7 cents on each \$1.00 of sales -- to pay expenses.

MARYLAND WINE IS...

GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create 100 million in economic activity annually.

JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.

DID YOU KNOW?

Maryland wineries bring more than \$200 million to Maryland's economy, one bottle at a time. Our wineries and vineyards employ over 2,000 staffers throughout the state in the fields of hospitality, vineyard management, winery management, marketing, special events and more!

WHISKEY: WHAT'S NEW

TIME OF THE SEASON

Lost Lantern's Spring 2025 collection has arrived, and this time around the independent bottler is focusing on finished whiskeys. Take Opulent Orchard, New York Distilling Co.'s seven-year-old straight rye. The flagship release, which is also the newest addition to Lost Lantern's Single Distillery series, is joined by five single cask releases from Santa Fe Spirits, Andalusia Whiskey Co., Starlight Distillery, Watershed Distillery, and Finger Lakes Distilling, finished in barrels that previously held apple brandy, añejo tequila, honey, black walnut liqueur, and pommeau.

SRP: \$80 to \$100 per 750-ml bottle

UNCUT VERSION

Virginia's oldest distillery, **A. Smith Bowman**, has debuted its fourth annual cask-strength offering. The 139.7-proof, non-chill filtered straight bourbon whiskey is balanced with unusually vibrant flavors of stone fruit, cinnamon, and raspberry chocolate.

SRP: \$99.99 per 750-ml bottle

POWER OF THREE

The inaugural edition of **Jameson's** Triple Triple Irish whiskey was aged in ex-bourbon, oloroso sherry, and Málaga wine casks. But for the 80-proof second variant, master distiller Kevin O'Gorman swapped out the latter for hand-selected barrels fashioned out of sweet chestnut wood that impart the liquid with notes of toasted almond, toffee, and cacao.

SRP: \$29.99 per 750-ml bottle

SPIRIT OF NEW ORLEANS

Helmed by New Orleans locals, **Big Easy Spirits Company** launches with Big Easy Whiskey, its 86-proof flagship. Born from a bourbon mash bill of 81 percent corn, 15 percent rye, and four percent barley, it is distilled in Kentucky and Indiana and matured for five years. Then, master blender Kieran Walsh infuses it with a proprietary mix of two dozen herbs, spices, and fruits that unleash layers of baking spice and cedar.

SRP: \$34.99 per 750-ml bottle

SPECIAL OCCASION

Now that **White Oak** whiskies have become a permanent addition to the Glengoyne range, the Scottish distillery is celebrating with a limited-edition 24-year-old release. Aged in a combination of first-fill bourbon and virgin oak casks, the 95.6-proof whisky is redolent of vanilla, lemon curd, and honeycomb.

SRP: \$399 per 700-ml bottle
