2025 SCHEDULE OF PURCHASE PERIODS & DUE DATES

Alcohol and Tobacco Commission
Regulatory and Research Section
410-260-7314

NOTICE TO RETAILERS

If wine and/or distilled spirits have been delivered to a retail licensee by a wholesaler or manufacturer on or before the **PURCHASE DATE** indicated in Column I, and payment is not received by the wholesaler on or before the corresponding **DUE DATE** listed in Column II, then the retailer is considered by state regulation to be overdue. Retailers can avoid most problems associated with late mail deliveries by mailing remittances at least five (5) days before the specified **DUE DATES**.

Regulation 03.02.01.04 requires Maryland wholesalers and manufacturers who sell wine and distilled spirits to retailers to (1) report the retailer to the Regulatory and Licensing Section for late payment (even if payment was received after the due date) and (2) simultaneously notify the retailer that a report has been submitted to the Regulatory and Licensing Section. Reports and notifications must be made for all late payments. The Regulatory and Licensing Section will determine whether or not the retailer is placed on the credit control list.

MARYLAND WINE IS...

GOOD FOR WINE LOVERS

Maryland's 85 wineries produce superb, handcrafted wines that compete with national brands, while highlighting all the benefits of buying local.

GOOD FOR AGRICULTURE

Maryland wineries support (and grow!) over 800 acres of grapes throughout the state. Grapes are a long-term crop, preserving open space and encouraging land preservation.

GOOD FOR TOURISM

Our industry attracts nearly 400,000 visitors annually to our wineries and wine festivals and events. These visitors spend their dollars at wineries, neighboring restaurants and accommodations.

GOOD FOR MARYLAND

Our wineries provide employment and tax revenue, supporting Maryland's rural economy by creating jobs that create tourism, preserve land and encourage agriculture. Maryland's wineries create 100 million in economic activity annually.

JOIN THE CONVERSATION

Facebook and Twitter @MDwine and be a part of the growth of great local wine industry.

DID YOU KNOW?

Did you know that only 3 out of every 100 bottles of wine sold in the state are bottles of Maryland wine. It's not a lot, but it's growing, and if you buy more local wine, you create more local jobs, grow more vineyards and help preserve our rural economy.

JOIN MARYLAND WINE MONTH

We're promoting stores and restaurants that support Maryland wine during Maryland Wine month in March.

Confusing Mark-Up and Gross Profit Can Bankrupt You

MARK-UP/GROSS PROFIT CONVERSION

MARK-UP is the percentage you earn on the **COST** of an item you sell. **GROSS PROFIT** is the percentage you earn on the **SELLING PRICE** of the item. Confuse them and you get an over-optimistic view of your business.

When you relate earnings to sales, think only of Gross Profit. In terms of sales, Mark-Up has no meaning. Gross Profit tells you what you earn--retain--on each \$1 of sales to pay you business expenses. Anything left over is net profit.

NOTE: Mark-Up percentages below are converted to Gross Profit percentages by rounding to nearest 1/10 of 1%.

MARK-UP – How to Compute It:
A brand costs you \$75 a case and brings in \$90 - -\$15 above cost. Divide your earnings (\$15) by your cost (\$75) and you get a *mark-up on cost* of 20%.

GROSS PROFIT – How to Compute It:
The same brand costs you \$75 and brings in \$90-\$15 above cost. Divide your earnings (\$15) by your *selling price* (\$90) and you get a **gross profit on selling** of 16.7% -- 16.7 cents on each \$1.00 of sales – to pay expenses.

WHISKEY: WHAT'S NEW

TROPICAL SPIN

In 2021, **Jim Beam** unveiled its peach variety. Four years later, the 65-proof Jim Beam Pineapple, a fusion of pineapple liqueur and the flagship Kentucky straight bourbon, is a part of the flavored-innovation lineup. The interplay of tangy, mellow fruit and caramel and oak notes pairs especially well with soda water or pineapple juice in refreshing highballs.

SRP: \$19.99 per 750-ml bottle

STAGE TO BOTTLE

Shucked straight bourbon whiskey, inspired by the Tony-nominated Broadway musical of the same name, presents the seven-year-old, limited-release Lulu's Blend. Featuring a mash bill of 75 percent corn, 21 percent rye, and four percent malted barley, the 90.4-proof bourbon, distilled at MGP in Indiana, expresses sweet kettle corn and sugar cane honey on the palate.

SRP: \$70 per 750-ml bottle

FOR THE BEER LOVERS

Rytaceous Blonde was such a hit when it originally launched in 2020 that historic **Chicken Cock Whiskey** and Kentucky's Goodwood Brewing have partnered yet again to hatch another limited-edition release. Finished in Goodwood's Blonde Ale barrels, the 100-proof Kentucky straight rye whiskey straddles spice and sweetness, tasting of apple, honey, and pepper.

SRP: \$69.99 per 750-ml bottle

REIMAGINED ICON

Innovative whiskey blends have defined **Compass Box** since its inception in 2000, and to commemorate this quarter-century milestone, the brand has updated one of its most beloved blends. Rather than highlighting a percentage of unpeated whiskies matured in bourbon and sherry casks as in previous incarnations, the 97.8-proof Flaming Heart: 25th Anniversary Edition puts the spotlight solely on peated ones and those extra aged in bespoke French oak barrels, resulting in a long, smoky finish.

SRP: \$165 per 700-ml bottle

DIVE BAR VIBES

Sipping the 100-proof Darts Cigarette Blend, the newest addition to the **Lasso Motel Whiskey** portfolio, conjures vintage images of always-full glasses and packs of Marlboro Lights savored in well-worn watering holes. The edgy spirit, produced at Kentucky's Green River Distilling Co., is finished in Armagnac, sherry, and Cognac casks, bringing forth layers of dried apricot, toffee, leather, and tobacco.

SRP: \$69.99 per 750-ml bottle
