ULTIMATE BEVERAGE CHALLENGE 2018

IDENTIFYING THE WORLD’S BEST SPIRITS, COCKTAILS, CIDERS, SAKES & WINES LIKE NO OTHER COMPETITION

Ultimate Beverage Challenge® (UBC) conducts two major international beverage competitions: Ultimate Spirits Challenge® (USC) each March and Ultimate Wine Challenge® (UWC) each May.

So, since 2010, why has UBC become the beverage industry’s most trusted and respected evaluation company? Answers UBC’s Judging Chairman and Co-Founder F. Paul Pacult, “Three crucial factors have made UBC the world’s foremost authority of beverage alcohol quality. First is our rigorous, innovative methodology that creates a level playing field for every spirit and wine that’s submitted to USC and UWC. We introduced the industry’s strictest analytical processes by instituting a unique multi-level evaluation system that allows more than one panel to analyze each entry. In order for spirits and wines to display their virtues, they are served at optimum temperatures. UBC is the only competition company to insist on staging only small flights of 2 to 8 beverages so judges remain alert and fresh. Entries are tasted blind with like-with-like spirits and wines to ensure that each entry is dealt with fairly. Our goal is one-pointed: to provide unbiased, accurate ratings.

JUDGING: Tasting flights are narrowed so that all products are evaluated like-with-like.

SCORE: The results published in this Ultimate Guide represent all products that scored 90 points and above (out of a maximum score of 100 points) in the 2018 Challenges. A complete list of all products scoring 80 points and higher can be viewed at ultimate-beverage.com. Online results include tasting notes for all products scoring 85 points and higher and marketing collateral.

AWARD: Top scoring products in each category are recognized based upon their results in each Challenge: Chairman’s Trophy and Finalist. The number of Finalists per category will vary depending on product type, number of submissions and overall quality.

ACCOLADE: In addition to the score, products are further distinguished as a guide to consumers: 95-100 points: Extraordinary, Ultimate Recommendation; 90-94 points: Excellent, Highly Recommended; 85-89 points: Very Good, Strong Recommendation; 80-84 points: Good, Recommended.

PRICE: All prices listed are retail prices suggested by the producer and may vary by market. Products available in the U.S. are quoted in dollars; those not imported show prices as available in the country of origin.

TRIED & TRUE AWARD ($) : Products that were entered into USC or UWC for the two previous, consecutive years as well as the present year and have scored 90 or higher each time, are recognized for consistency of product quality with this award.

GREAT VALUE ($) : Indication of products with a favorable relationship between their price and final score.

SIZE: All sizes are 750 ml unless otherwise noted.

Bounty Gold Rum - St. Lucia, 43% abv, $20.99

Mild, but not meek for what is an extremely versatile rum. Charred banana leaves, grilled pineapple, pickled watermelon rinds, underripe bananas, tarragon, vanilla, pimento berries, and orange oil are anchored with a Caribbean pepper heat and smoke that are present throughout, but not overdone.

**Cocktail Recommendation:**

**PAPA DOBLE**

bountyrum.com

---

Bounty Dark Rum - St. Lucia, 43% abv, $29.99

This bold and complex rum shows dense flavors of charred caramel, dark chocolate, and pastry crème. The palate reasserts these flavors but also shows a crisp citrus streak. At slightly over-proof, a perfect candidate for a rum old fashioned.

**Cocktail Recommendation:**

**PAPA DOBLE**

Elijah Craig Small Batch Bourbon

United States, 47% abv, $29.99

Elegant oak dances alongside fresh cornbread with maple syrup on the nose. The palate is warm and deeply pleasing, with pecan pie, candied almonds, creme brulee and stewed cinnamon coming to mind, where balance is never lost. Another classic from an American mainstay.

**Great Value, Tried & True**

**Category:** American/Bourbon

**Cocktail Recommendation:**

**GOLD RUSH**

### VIRGINIA DISTILLERY CO. PORT CASK FINISHED VIRGINIA-HIGHLAND WHISKY

United States / Scotland, 46% abv, $57.99

The port cask comes through on the nose, with undertones of juicy red fruits amid earthy grains. A deep flavor of caramelized pastry and coffee grounds mixes with high toned roasted cranberry and generous acidity.

### KAMIKI MALTAGE JAPANESE WHISKY

Japan, 48% abv.

Sandalwood aromas are robust and exhilarating on the nose. The cedar cask influence is immediately apparent in the mouth, filling the palate with spicy wood flavors. Robust coffee and hints of dried fig deepen the layers.

### NOMAD OUTLAND WHISKY

Scotland / Spain, 41.3% abv, $49.99

A pleasingly complex nose holds hints of nuttiness and brine. Pleasing notes of cocoa nibs, caraway seed, ripe stone fruit, and honey pastry are abundant on the palate, where spice arises during a lingering finish.

William Wolf Frisky Flavored Whiskey

United States, 35% abv, $24.99

On the nose this untraditional whiskey offers ripe scents of dulce de leche, candied apple, soft mint, French vanilla, burnt butter and basil. Deep flavors of butterscotch, overripe bananas, candied orange peel, tangerine oil, and a hint of spicy pepper make this whiskey very tasty and easy to drink.

RUSSIAN RIVER VALLEY

United States, 13.9% abv, $20.00

A well balanced wine that combines refreshing flavors of lime flower and wet stones with a creamy texture of ripe pear and red apple. Lush but dry, it is a versatile wine that will pair with a variety of foods and is also lovely on its own.

The over-the-shoulder shaking was piston-like and the clanking of ice cubes was deafening at the UBC Evaluation Center in Hawthorne, NY this past March as Ultimate Spirits Challenge (USC) 2018 swung into full-scale cocktail judging mode. For the fourth year in a row, USC’s super-star judging panels tested hundreds of spirits in appropriate classic cocktails to further embellish the data for spirits producers and marketers.

To ensure impartiality, the identical recipe was painstakingly measured, including dilution, in milliliters for each cocktail by world-class professional bartenders, led by Leo DeGroff, Troy Clarke and Sean Kenyon, in every suitable category. All Gins in USC 2018 were tasted in a Dry Martini; Blanco and Reposado Tequilas in a Soul Train; Añejo Tequilas in an Old Fashioned Añejo; Mezcal in Last Word Dos; Bourbon Whiskeys in a Gold Rush; Canadian and Rye Whiskeys in an Old Fashioned; Irish Whiskey & World Whiskey in The Copywriter; Scotch & Japanese Whisky in a Sidecar; Calvados and Apple Brandy in a Nassau Street Cocktail; Pisco in a Chilcano; Vodka in a Flame of Love; Rums in a Papa Doble; Baijiu & Shochu in an Asian Sour.

Each cocktail was evaluated blind individually with a glass of its base spirit ingredient poured neat next to it for reference. Cocktails were scored on a 1-to-5 star scale, with 2½ to 3 stars being hailed as Delicious, 3½ to 4 stars as Very Delicious, and 4½ to 5 stars as Drop Dead Delicious.

Said USC Judging Director F. Paul Pacult, “By methodically assessing the mixability factor of spirits as part of USC we’ve broadened the analytical data that we furnish for suppliers and their marketing teams. Spirits, after all, aren’t only consumed neat. To have expert analysis by mixology superstars such as Jacques Bezuidenhout, Tad Carducci, Dale DeGroff, Meaghan Dorman, Tyler Hudgens, Don Lee, Jennifer Simonetti-Bryan, Joaquin Simo, Tim Cooper, Charlotte Voisey, Jillian Vose and more on both straight enjoyment AND how that spirit performs in a cocktail is highly advantageous to brands and consumers. As the only major spirits competition in North America to include mixability evaluations as part of the entry fee, USC’s findings provide marketers with valuable insights as to how their spirits perform in classic cocktails. What’s not to love?”

**96 BARON DE LEY MUSEUM RESERVA TEMPRANILLO 2012 CIGALES**

Spain, 14.5% abv, $19.99

Cascading layers of dark berries and sweet oak give rise to hints of fennel seed, oiled leather, pipe tobacco, and warm vanilla bean. Well-integrated tannins frame more dark fruits with drying touches of herbs, black pepper, and earth. Classic.

**93 AKASHI TAI JUNMAI DAIGINJO GENSHU SAKE AKASHI CITY**

Japan, 16% abv, 720ml, $57.99

Lemon balm and fresh green herbs fill the nose with hints of melon rind, petunia, and edamame. Soft and round on the palate with pleasant fruitiness, this is an easy-drinking sake that would be well matched with many foods.

**92 AKASHI TAI SHIRAUME GINJO UMESHU SAKE AKASHI CITY**

Japan, 14% abv, 500ml, $19.99

Unbelievably floral aromas waft from the glass, with yellow plums, cherry blossom, and ripe golden cherries. Concentrated sweet plums, honey, clementine pulp, and morello cherry flavors are bold, lightly sweet and high toned. The drawn-out finish is dry and perfumed. Exquisite.
At this year’s Ultimate Wine Challenge® (UWC) led by Judging Chairman F. Paul Pacult, a team of the world’s foremost wine experts, buyers and journalists convened in May at the UBC Evaluation Center to evaluate more than 1,300+ still, sparkling and fortified wines, ciders and sakes from around the world.

The judges included editor Kristen Wolfe Bieler; buyer James Conley; sommelier Vitalii Dascaliuc; Master Sommelier, Master of Wine Doug Frost; buyer Tim Gagnon; beverage director Jason Hedges; educator Danny Klein; educator/journalist Tess Rose Lampert; buyer John Rankin; MW candidate Mike Reilly; journalist Patricia Savoie; educator Rick Schofield; and buyer Paul Tanguay.

Under the strict tenets of UWC’s rules of service for the award round, all entries are served without the judges knowing anything about the wines except for their category. In order to insure complete fairness, no labels are seen, no producer identities are revealed and no prices divulged to the judges. All wines are judged at the proper temperature and grouped for the judges into small flights of 2-8 wines matching like-with-like in terms of grape type, region and price.

Said Judging Chairman F. Paul Pacult, “To get the most accurate results it takes seasoned wine veterans on the judging and preparation teams, the ideal analytical environment, and the proper methodology. Whether a wine sells for $4.99 or $499.00 per bottle is immaterial to us. What matters most is that each wine, cider and sake submission, no matter what its price tag, is treated with respect and evaluated in the fairest possible conditions. UWC owes the producers of wine, cider and sake from around the world who have submitted their entries to UWC the scrupulous evaluation that they deserve.”
